FERNO POLE

Stretchers

Uni-fold & Duo-fold

Ideal for use in situations demanding a quick and safe evacuation of a patient.

- Lightweight aluminium poles for easy lifting
- Non-slip plastic carrying handles
- Spreader bars provide additional support
- Orange vinyl fabric is impervious to stains and mildew for easy care and maintenance
- Stirrup feet raise the casualty off the ground
- Carrying bags are available for every model.

Uni-Fold Collapsible spreader bars allow the stretcher to fold in width to a slim shape for stowage.

Duo-Fold Folds in both length and width to an extremely compact size.
